

REMARKS/ARGUMENTS

Claims 1-24 were pending in this application. No claims have been amended, added, or canceled. Hence, claims 1-24 remain pending. Reconsideration of the subject application as amended is respectfully requested.

Claims 1-2, 11, 13 and 21-23 stand rejected under 35 U.S.C. § 102(e) as being anticipated by the cited portions of U.S. Patent No. 6,125,126 to Hallenstal, *et al.* (hereinafter "Hallenstal").

Claims 3, 12 and 24 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Hallenstal in view of the cited portions of U.S. Patent No. 6,522,886 to Youngs, *et al.* (hereinafter "Youngs").

Claim Rejections Under 35 U.S.C. § 102(e)

Claims 1 and 21 include the limitation, "a service location register in communication with the switching center, the service location register operative to retrieve . . . call information for each incoming call to a DN" Hallenstal does not teach this. Thus, claims 1 and 2 are believed to be allowable, at least for this reason.

Claim Rejections Under 35 U.S.C. § 103(a)

Claim 12 includes the limitation, "a Wireless Service Location Register (WSLR™) in communication with the switching center, the WSLR™ operative to retrieve . . . call information for each incoming call to a DN" Neither Young nor Hallenstal teaches this. Thus, claim 12 is believed to be allowable, at least for this reason.

Application No.: 09/642,203
Amendment Dated May 28, 2003
Reply to Office Action of February 28, 2003

PATENT

Furthermore, the invention of the present application and Patent 6,552,886 (Youngs) were, at the time the invention of the present application was made, owned by a common entity. Thus Youngs is not available as prior art in accordance with 35 U.S.C. § 103(c). Claim 12, therefore, is believed to be allowable for this additional reason.

Claims 2-11 and 13-23 each depend either directly or indirectly from one of claims 1, 12, or 21 and are therefore believed to be allowable, at least for the reasons stated above.

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Irvin E. Branch
